Worked at a poke bar making and serving food in a fast-paced environment.

Computer Coding Instructor and Vice President of the Coding Club
September 2018 - May 2019
Designed a six week curriculum to introduce coding to young scholars and five additional lessons for students who have advanced in their coding skills. Taught students html, css, javascript, and python.

Cyber Security Camps
Summer of 2018
Accepted to attended two different cyber security camps. The CyberPatriot camp taught me key components of cyber security and working as a team. I was taught cyber ethics, differing roles in cyber security, and attended competitions. The GenCyber camp at USD allowed me to explore different jobs in cybersecurity, network with companies, and practice team collaboration.

Piano Instructor
September 2013 - January 2018
Part-time job teaching young students music theory. Approximately ten students, bi-monthly lessons.

Skills

Experience using programming languages: java, javascript, html, css, python, C and C++.
Experience using Windows and Linux
Experience manipulating and analyzing numerical tables and time series.
Leadership and problem solving skills.

Activities

CyberSecurity Club, University of Oregon
October 2020 - Present
Attend Hackathon events.

Crew Team, University of Oregon
September 2019 - September 2022
Varsity rower for eights, fours, and single boats.

Hobbies

Playing the piano; I'm part of a band and I enjoy playing jazz.
Rowing on the weekends with other crew members or by myself.
Attempting to create playable video games, 2D and 3D using unity. Designing game puzzles.
Reading fictional/dystopia novels and manga.

Honors/Awards:

All years Honor Roll at Foothill High School for gpa of 3.5 or above.
Scholar Athlete award at Foothill High School all years.
